

## Missed Appointment Policy

I, \_\_\_\_\_, understand that a 24 hour notice is required when cancelling an appointment. Realizing events beyond your control can arise, we will happily reschedule your appointment to a day and time better suited to your needs.

Without a phone call to cancel the appointment, the appointment will be considered broken/missed. In the event that 4 missed appointments are accumulated, you will be dismissed as a patient and no further appointments will be scheduled.

We value you as a patient and thank you for your support and understanding

Sincerely,

Dr. Mary Fischer DDS and Staff
